(11) Drive or operate any automobile or other motor vehicle upon any driveway or premises of a church, or school, or of any recreational facilities or of any business property open to the public, recklessly or at a speed or in a manner so as to endanger the life, limb or property of any person.

In Memoriam

In loving memory of my husband, John W. Roberts, who passed away one year ago, Oct. 30, 1959.
One year has passed since that sad day,
When one I loved was called away.
God took him home,
It was His will,
Within my heart, he liveth still.
I often sit and think
Of you and the way you died,
That you could never say goodbye
Before you closed your eyes.
The blow was hard, the shock severe
We never thought your death so near,
But only those who have lost
Can tell the pain of parting without farewell.
The flowers placed upon your grave
May wither and decay,
But the love for you who lies beneath will never fade away.

COMMENTS ON SPORTS

By Pete Fritchie

By Pete Fritchie

WASHINGTON, D. C. — Probably the toughest football schedule in the nation this Fall is being played by Iowa University's eleven. At least it must be as tough as any other college's schedule.

Purdue and both Michigan and Michigan State play tough schedule. They as Oregon State, Northwestern, Michigan State, Wisconsin and Purdue to start with!

Then there was Kansas, Minnesota Ohio State and Notre Dame— to finish with. Oregon State is not weak this year as in some years. Kansas is a power. Notre Dame might be as weak as any team on that schedule — and the years are few when one can make a statement like that!

To play Northwestern, Michigan State, Wisconsin (a power this year), Purdue, Kansas (another 1960 powerhouse), Minnesota and Ohio State on successive Saturdays would turn the hair grey on practically any of the coaching craniums in the business today.

Forrest Evashevski, however, the Iowa coach, always plays a tough schedule. And even though his teams have been among the best in the country for years and years, he has not yet made the "coach of the year" circle.

Iowa won the Big Ten crown back in 1958 and we suspect Iowa is as good as any in the conference this year, and this is still true if the team doesn't have a perfect record in 1960.

To play a schedule like Iowa is playing this year is news and significant whatsoever the outcome. In the Southeast, for example, Georgia Tech has a really rough schedule this year and Bobby Dodd has already bitten the dust a couple of times.

So, hats off to Iowa. To Evashevski. In this current season, no team is playing a tougher schedule.

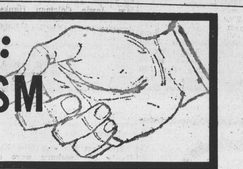
KENNEDY DEMANDS:
COMPULSORY UNIONISM IN VIRGINIA!



THE ORDER HAS BEEN GIVEN:
Labor bosses who now dominate the National Democratic Party and its candidates have ordered Federal nullification of the Right-to-Work Laws of Virginia and 19 other States.

KENNEDY ACCEPTS THE ORDER:
The 1960 Democratic Platform states flatly:
"We will repeal the authorization for Right-to-Work Laws."
Senator Kennedy who sponsored a bill to repeal such Laws in 1955, agrees.
"Let me make it clear once again as I have in the past, that – whatever office I hold – I shall always be unalterably opposed to so-called right-to-work laws at any level, federal or state." (Interview in AFL-CIO NEWS, 10/1/60).

WOULD WIPE OUT VIRGINIA LAW:
Virginia's Right-to-Work Law, enacted under the sponsorship of then Governor William M. Tuck, provides that no working man shall be compelled to pay tribute to the union bosses in order to keep his job. This Law has been tried and proved successful in 13 years of operation. Yet it will be wiped out by Federal fiat if Kennedy wins.

NIXON OPPOSES UNION BOSSES:
Vice President Nixon has stated his opposition to the labor bosses as follows:
"I believe that each state has the power to enact or repeal a right-to-work law as its people desire.
"It would be just as wrong for the federal government to interfere with that power as it would be for the federal government to force all states to accept right-to-work legislation.
"For that reason, I oppose repeal of that section of the Taft-Hartley Act which recognizes the power of the states to adopt such laws, and, similarly, I oppose the enactment of a federal right-to-work Law." (New York Telegram & Sun 10/7/60).

THE ISSUE IS CLEAR:
Kennedy would allow the labor bosses to force workers to pay union dues as a condition of employment. Nixon defends the rights of the States to protect their citizens against this compulsory unionism.

SENATOR BYRD'S POSITION:
In a speech in the Senate in August, Senator Byrd made his position clear.
"This is an appropriate time for me to say that I will oppose repeal of authorization for right-to-work laws with all my strength and ability."
